

## HOME BREAK INS IN PALISADES

Three houses have been broken into in our area in the last few weeks. The most recent on Greenwood Rd and two others a week or so before on Deno Rd. These occurred during the daylight hours. It appears this is someone who has cruised the area and knows when people are at work or have just left.

Use all preventive measures that you can, lock and secure all sources of entry. Make a note of vehicles that continue to cruise your road, keep a description of the car and people in it.

Keep a lookout at your neighbors houses for strange vehicles.

Let your neighbors know when you will be gone for a period of time.

Call the sheriff's office for anything suspicious.
